

Gulf Coast Council, Life to Eagle Process Information

Congratulations, one of your Life Scouts has completed his requirements for Eagle Scout! This information will hopefully help you navigate the last several steps and understand the process.

First things first! The Scout should get together with his Scoutmaster or Advancement Chair to fill out the application. The Scoutmaster and the Committee Chairman's signature on the application signify that they have carefully reviewed the application and that the candidate is ready to move on towards his Board of Review.

After the Unit Leader has signed off on the application, it MUST be turned into the Council Office before the Board of Review. Please allow 7-10 business days for processing.

***Note – Requests for reference letters come from the Council Office, NOT the scout. Please do not request letters from your references.**

Below are the ONLY documents that need to be turned in to the Council Office:

1. ORIGINAL Eagle application
2. Copy of Life Ambition Statement
3. Copy of Contact Information Page
4. Copy of Project Proposal Signature Page
5. Copy of Project Final Report Signature Page
6. If applicable, copy of fundraising application
- 7. Please do NOT send the entire original workbook**
